### INCLUSIVITY

Ensuring all voices are welcomed, valued, celebrated, represented and supported, fostering diversity, recognising intersectionality, belonging and equity across our membership and the wider cultural landscape.

### SUSTAINABILITY

Nurturing long-term growth and resilience, with a commitment to environmental, cultural, and organisational sustainability that benefits our small and large members as well as our planet.

### CREATIVITY

Stimulating new ideas, innovation, artistic expression and challenges that energise and progress our sector, inspiring collaboration, growth, shared learning and equity.

### COMMUNITY

Building a vibrant, interconnected ecosystem where members support one another, share knowledge, creating a thriving, unified voice for our arts and culture sector.
